My Brilliant Friend is a compelling and moving coming-of-age story set in an impoverished neighborhood struggling to come into its own in a rapidly shrinking world. Celebrated Italian author Elena Ferrante's unflinching and insightful prose is captivating and hopeful and will have readers eagerly awaiting the next book in this four-part series.

Several copies of the book of the month are available for checkout in the library.

Some titles will also be available as e-books accessible with your library card.
